# NEEM PURE

PURE NEEM POWDER

Approved Input for use in organic agriculture according to NPOP standard attested by Ecocert India Pvt. Ltd. (NPOP/INAB/002)

**Neem Pure** is a soil amendment which enriches the soil and works as a nematicide. It provides a better crop yield and helps to cure diseases and control the growth of nematodes and other soil borne pests. Neem Pure improves the organic content of the soil.

## FEATURES :

- A) It protects the plant from nematodes and resists other soil borne pests.
- B) It has huge antifungal properties.
- C) Neem Pure contents high percentage of neem oil and thus increases the yield of crops.
- D) It is active in increasing the growth, leafage, results in rich blossoming, strengthening the roots and improving the general appearance of fruits and vegetables.
- E) It is eco-friendly and maintain the power of soil.

## DOSE :

Use 125 Kgs of Neem Pure per hectare of land.

## APPLICATION :

Broadcast Neem Pure on soil and mix it homogeneously by tilling of soil.
